

# EXTRA ITEMS REQUIRED FOR THE 2023 C5 CONCERT

**All students require the C5 Concert Red Lipstick** (same lipstick as the 2022 concert) this is to be purchased from the C5 front desk for \$10.

Stockings must be purchased from C5 to guarantee colour match. We are also cheaper than the dance stores.

They are the same tan stockings as the end of year 2022 concert. We do recommend students have a back up pair as they can pull holes in the stockings, which look terrible on stage or in the concert video.

Tan stockings - \$13

Ballet stockings - \$13

Fishnets - \$15

Skin coloured underwear to be purchased externally.

Every student will require a costume bag to protect their costumes and to keep them together on the concert day and at home. Most costume bags will store 3-4 costumes, therefore your child may require 2 costume bags if they do more classes.

You can purchase a costume bag for \$10 from the C5 desk. Not available until week 5.

On the front of the bag you will need a label with
