COSTUMES

- Every student will have their own costume bag waiting for them in their dressing room.
- Your costume will be labelled with your child's full name and grade.

- All costumes will be ironed/steamed.

BACKSTAGE FOOD REMINDER

Parents will not be able to access backstage or be able to drop off food. The backstage team are unable to assist with delivering food to students.
Please ensure all meals, snacks and drinks are pre packed in your child's bag before they arrive.

A QUICK CHAT BEFORE CONCERT DAY

Please talk to your child about making sure their food lasts the whole day. Encourage them to listen to their teachers, who will guide them through the scheduled lunch, snack and dinner breaks.

LABEL EVERYTHING

Belongings get mixed up very easily, the best chance of them returning to you is to label everything. We do not recommend bringing any valuables backstage. C5 is not responsible for the loss of any belongings.
