DROP OFF

Location: The Juniors, Kingsford
Address: 558A Anzac Parade, Kingsford
Car park entry: Anzac Parade, Kingsford
Student entry: All families must enter through the main entrance of The Juniors where you will be asked to sign in at the front desk and then make your way up the escalators to the **"Wintle Theatre"** which is located on Level 2. Head straight to the foyer where all families will need to sign their child in at the desk located in front of the auditorium entrance. After sign in families are welcome to mingle in the foyer before the show, with auditorium doors opening 30 minutes before the performance begins.

Each child will receive a coloured wristband for their class, which includes their name and contact number. After a final hug and kiss from Mum or Dad, one of our LiTTLiES teachers will gently guide them to their dressing room. Our teachers will be there to provide plenty of reassurance, cuddles and support to help every child feel comfortable and confident backstage and before their performances.

ALL STUDENTS TO ARRIVE IN

Their C5 LiTTLiES uniform and first shoes of the show -

- LiL Combo only students (Jazz shoes)
- LiL Ballet only students (Ballet shoes)
- Students who attend both LiL Combo/Ballet (Ballet shoes).

If we could please avoid students from wearing/bringing extra uniform items to the venue such as jumpers, wrap tops or any other piece of clothing as too many extra items could very easily end up in the wrong bag or go missing.

*All girls should also arrive in their **tanned stockings** and **white frill socks** and boys to arrive in their **white socks.***

For ALL students who attend LiL Combo class -
DO NOT FORGET TO PACK YOUR CHILD'S TAP SHOES IN THEIR BAG.

Please make sure that all of your child's dance shoes fit them well prior to Concert day.

All students are to bring one backpack with the following only -

- Jazz shoes if they are arriving to the venue in ballet shoes
- *Tap shoes if they do tap*
- *Water bottle*
- *Spare stockings/socks if parents want to pack either of these spare items just incase, however this is not compulsory to do so.*
- *If wearing underwear, it might be worth packing a spare pair of undies just incase of any accidents.*

Please make sure that ALL belongings are labelled with your child's name on it - this includes uniform. We cannot be held responsible if an item that has been worn/brought to the venue gets mixed up or goes missing without a name.

- *NO jewellery is to be worn besides little plain gold or silver sleepers or studs if your child has their ears pierced as we understand these may need to stay in.*

- *NO lipstick or other make-up is to be brought to the venue as this could end up on a child's costume. If this does occur a $50-$100 cleaning fee will be charged.*

- *NO nail polish or fake tattoos.*

Please make sure that your child eats soon before they arrive at the venue as no food is allowed to be brought backstage with the venue's backstage policies.

Each child's costume/costumes will be at the venue hung up in each dressing room with your child's name on it. Once students arrive, the helpers will change each child into their first costume of the day. After the finale, helpers will change students back into their LiTTLiES uniform that they arrived in and no costumes are to leave the venue.

ALL HELPERS HAVE A WORKING WITH CHILDREN'S CHECK

If any parent does not feel comfortable having their child dressed by one of our C5 backstage staff please contact Georgia at littlies@c5dancestudio.com.au prior to the 6th November as we will then need you to organise your own dresser for the duration of the show who will also be required to have a WWC.

While situations like this are extremely rare, if a child becomes very upset and we've done everything we can to help them settle, but they continue to seek comfort from a parent, Miss Rachael or Miss Alana will give you a call. If needed, we'll ask you to collect your child from the side stage door, located on the left-hand side of the stage.

We understand that not being able to take photos of your child in their costume may feel disappointing, those little moments mean a lot. Please know that our team will do their very best to capture some special backstage memories, which we'll share with families the following week. We're also excited to have a professional performance dance photographer capturing the children on stage, with families having the option to view and purchase these special photos through Philippe Penel Photography if they wish.

Above all, our focus is on making sure every child feels excited, supported, and ready to shine from the moment they arrive. We want their experience to be joyful and stress-free, so that they can truly enjoy their time on stage.

All students will go back to their dressing rooms to change back into their uniform that they arrived in and collect all of their belongings. Teachers will have two separate pick up points in the auditorium for each class day.

Please see your child's PICK UP POINT on the inside of the auditorium for their group below.
