

C5 CONCERT 2025

C5 is supplying your costume bag with costumes hung, and any stockings required.

Parents do need to purchase the below items.

- Skin coloured underwear for your child.

You are welcome to select from **skin coloured** undies & crop top/bra or a skin coloured bodystocking. Seamless is preferred where possible.

A skin coloured crop top is not mandatory but is an option for those who want/need this coverage and support. Please note some of the skin crop tops draw more attention to the body due to tight straps and elastic around the rib cage, if your child doesn't need support please consider if this is necessary.

- C5 red lipstick \$10 (most people have this from last year, siblings in different grades cannot share due to the the spread out dressing rooms)

The only additional items required is the shoes & socks listed in hip hop and musical theatre, these can be purchased from:
