Dedicated Preschool Department

Est. 2017

I am Miss Georgia and I am your go to girl for everything related to our Preschool Department at C5! Our C5 LiTTLiES preschool department was created solely for our youngest students at the school aged between 2.5-5 yrs, where our students are nurtured and cared for from the moment they come in for their very first lesson.

Our dedicated and talented team of teachers are here to provide a wonderful and safe learning experience for every student that begins their dance journey with us, creating a space for them to become independent, find their confidence and grow as little human beings, all whilst having so much fun! At C5 LiTTLiES we also take great pride in delivering consistent quality lessons, so that each one of our students is getting the most out of every lesson, and can be on their way to becoming the best dancers they can be.

We understand that working with such young children that some students may settle in sooner to their classes then others, or some may need another Term for more growth before giving the class another go. We want to ensure families that our team will be there every step of the way during your child's dance journey as each and every students journey is so special and so unique!
We also understand that trusting your child with a stranger can be a daunting task, but you can rest at ease knowing that if your child is interested in starting dance at C5 LiTTLiES, that they are with one of the best in Australia.
I am so looking forward to meeting you soon!

• 4-5 year class families to wait with their child on the grass area

• 2.5-3.5 year class families to wait on the balcony outside reception

Teachers will open the main doors a few minutes before class begins. We thank families for helping us keep arrival & pick up smooth and stress-free.

HAIR & GROOMING

We understand that getting young children ready for class can be a rush and that sometimes parents can be dealing with tired and not so happy children who want to wear their hair out or their own pieces of clothing, but it is of the upmost importance that students are coming to class in correct uniform with their hair tied up and off their face. Parents, do not worry if you are a hair stylist.
Your child's hair doesn't have to be perfect each week, however it should be tied up and pulled back off the face.

If your child's hair is not long enough, then a style that is completely off their face like a half up/half down style, or pulled back to one side with a hair clip is ideal for class.

Coming to class this way puts a students mind in the best headspace to learn, they feel and look like a dancer, it shows the respect they have for the studio, their teacher and class and also means that they have no distraction from hair falling in their face whilst they are trying to learn.

CORRECT UNIFORM & SHOES

It is important that students are coming to class wearing the correct uniform with the correct shoes.

Non C5 LiTTLiES clothing is not permitted.

We understand that the mornings especially during Term 2 and 3 can be very cold and it's important that students are warm coming to and from class. Our LiTTLiES jumpers for the colder months are designed to keep your child warm in class without overheating them once they start to warm up. Students tend to be a lot warmer then when they entered into the studio after the first 10 mins of class,

and so it is better if students have layers on over the top of the uniform rather than underneath so that once they do get warm and need to remove any layers that they can take this off.

Our black leg warmers available in Term 2 will also keep students legs warmer in the colder months. Other coloured socks, tights and leggings are not apart of the uniform.

FAQS

C5 LITTLIES

Can parents watch the classes?
All of our C5 LiTTLiES classes are designed for independent learning.

Formed in 2016, Lil Groovers is the brain-child of dynamic duo Samson Smith and Chantal Curmi who are highly regarded in the dance industry. In their experience also, preschoolers are able to concentrate better without the distraction of other noise in the room from parents and other siblings.

For the first lesson, some children may feel more comfortable if Mum or Dad comes into the room to help them settle into their starting spot. Once your child is happy and beginning to join in with the teacher, we usually find it works best for parents to quietly step out. This helps children build confidence and feel comfortable participating independently in the studio.
If your child isn't quite ready to come into the studio on their own yet, that's absolutely okay.
Every child develops at their own pace, and in some cases it may be best to wait a term and try again when they're feeling more ready.

FAQS

C5 LITTLIES

What happens if I am not sure whether to enrol after one Free Taster Class?

Sometimes it can be tricky to judge how your child will go after only visiting for one class. We find that most children can be shy during their first lesson as they are brand new to the environment but by their second class they are participating beautifully and having so much fun with their LiTTLiES friends.

For this reason, we offer a *two week obligation-free trial period*. During this time, your child is welcome to attend two trial (taster) lessons at no cost.
After the two lessons, if you decide to continue, you will then be invoiced for the full term, which will include the first two lessons already attended. If you decide not to continue after the trial period, there is no charge at all.

Does my child need a uniform to attend my first class?

Your child does not need a uniform for their first taster class. For this lesson, please dress your little one in comfortable, appropriate dancewear that allows them to move safely. Sneakers or bare feet are perfect for Lil Ballet or Lil Acro, and please don't forget to pack a drink bottle.

FAQS

C5 LITTLIES

Is there a Registration Fee?

Yes, there is a Registration Fee of $111.00 (including a new uniform) which is an annual one off fee. This fee must be paid to complete your child's registration and hold a spot in your preferred class. New families can still book in their 'Free Taster Class' without paying the fee and completing their registration by emailing littlies@c5dancestudio.com.au, however keep in mind this could mean that you could potentially miss out on a spot if the class fills up.

Registration Fees are non refundable.

Am I entitled to a refund?

Under no circumstances do we offer refunds on term fees, additional fees and concert/costume fees.

Please refer to our 2026 Terms & Conditions for more details.

Is my child automatically enrolled into the next term?

When your child is enrolled into our C5 LiTTLiES classes, enrolment is ongoing for a full calendar year and your enrolment automatically rolls over each term.

If you would like to withdraw from classes you must provide four weeks notice. If you do not wish for your child to continue in the following term, you must contact littlies@c5dancestudio.com.au by the end of week 8 of that term.

If you withdraw at a later time, you will be invoiced for the first two weeks in which your child can attend class.

FAQS

C5 LITTLIES

How do I know what age group to enrol my child in?

All of our LiTTLiES classes cater to different age groups. For a full list of the class age groups please refer to our 2026 Timetable which shows the age brackets for each class on different days.

What happens if I cannot attend a class?

We understand that our students become ill from time to time. If your child has to miss their class, they are welcome to attend a 'make-up' lesson (subject to availability) within a comparable class within the same term. Missed lessons do not carry over into a new term unless the lesson is missed in the last week of term which in this case a make-up lesson may be booked in the first week of the following term. Refunds or credits cannot be provided for classes missed due to personal circumstances.

What happens if a class is cancelled by C5 LiTTLiES?

Occasionally, due to unforeseen circumstances, C5 LiTTLiES may need to cancel a regularly scheduled class. Notice will be given as far in advance as possible, however lessons can be cancelled at short notice for eg. the morning of your lesson. Cancellation notifications are sent via email and SMS as this is the most efficient and effective way. In the event of a cancellation, a make-up class will be offered where possible within the school holidays. In the event that a make-up class cannot be arranged, a credit will be placed on the student's account which will be carried forward to the new term.
