C5 2025 CONCERT DAY BUSES

Very important - If you do not wish for your child to go on the bus, and you will be taking them to the theatre please contact rachael@c5dancestudio.com.au **so we can arrange your drop off time and location.**

Each grade has been allocated a different drop off time, this is to help reduce the amount of hours for our younger students and to better assist with stage rehearsals on the day. When students arrive at the theatre they will be escorted to their dressing rooms to settle in and then each grade will have time on stage to practice their positions in each routine.

*please note - as we fine tune details with the bus company the arrival and departure times may adjust slightly (10-15mins) due to the advice from the bus company.

After stage rehearsals students will have time for a lunch break at the theatre in the court yard, and will have time to get ready for show 1.

**Hair and makeup details will shared early in term 4 so parents and students can plan. There will be plenty of time for high school students to do hair and makeup at the theatre after stage rehearsals. Our team will be able to assist freshening up hair and makeup for our primary age students.*

If your child is in Kindy, Yr 1, 2, 3-4, 5-6 and you are unable to drop them off at their allocated time; we do have room for children to join one of the earlier time slots. Spots are limited please contact rachael@c5dancestudio.com.au to book, first come basis.
