

## WHAT TO PACK FOR YOUR CONCERT

Before you continue, dancers on stage are NEVER to have:

**jewellery on**

**nail polish**

**fake tattoos**

STUDENTS ARE TO ARRIVE WEARING THEIR FIRST COSTUME FOR THE SHOW

Every student should have their costumes hung in their costume bag in order of the show.

Your costume bag should be labeled with your child's full name and grade.

It is helpful to younger students if they have a list written on the costume bag the order of their routines i.e;

Sally Smith

Grade 2

Ballet

Tap

Jazz

This can be written in the label section or on paper and sticky taped on the front.

If you have any accessories with your costume make sure they are in your costume bag or attached to it. If your costume requires socks or different stockings these should also be inside the bottom of your costume bag.

If you have any spare stockings in case of an accident, these should be in the bottom of the costume bag.

### **ADDITIONAL BAG**

Every child should have one additional bag inside this bag you should have:

All shoes required for your performance

A robe or jacket that zips in front, to wear whilst eating

Something to pass the time, book, colouring book with pencils only

Extra elastics, Bobby pins, safety pins

A hair brush / comb

Hairspray

Baby wipes

A bottle of water (no soft drink, juice or coloured drinks)

Food / snacks

### **Important:**

**No food is to contain nuts - this is very important due current students with allergies.**

**Food should be non greasy, non sticky, no colouring, is not messy or gets crumbs**

**everywhere. No fast food back stage.** The best food to pack; apples, carrot or celery sticks, a sandwich/wrap.

Belongings get mixed up very easily, the best chance of them returning to you is to label everything. We do not recommend bringing any valuables back stage. C5 is not responsible for the loss of any belongings.
